The readers of this paper will be  
pleased to learn that there is at least one  
dreaded disease that science has been  
able to cure in all its stages, and that is  
Catarrh. Hall's Catarrh Cure is the only  
positive cure now known to the medical  
fraternity. Catarrh being a constitutional  
disease, requires a constitutional treat-  
ment. Hall's Catarrh Cure is taken in-  
ternally, acting directly upon the blood  
and mucous surfaces of the system, there-  
by destroying the foundation of the dis-  
ease, and giving the patient strength by  
building up the constitution and assisting  
nature in doing its work. The proprietors  
have so much faith in its curative powers  
that they offer One Hundred Dollars  
for any case that it fails to cure. Send  
for list of testimonials.
